

2017-2018 CCA Music Program

Summer greetings! We have another exciting musical year ahead of us at Covenant and I want to take this opportunity to encourage you to get involved with the music program in some way. Whether singing in a choir, playing an instrument in a band, or taking a music elective in Rhetoric School—there are many opportunities for students to get involved and become ***lifelong music makers!***

We unfortunately had to say good-bye to our String Ensemble teacher, Mrs. Hartzler, as she had her first child shortly after our Grammar School Spring Concert, our Woodwinds instructor, Mr. Woodward, as he took on a full time role as caretaker of a family member and one of our piano instructors, Ms. Emberley as she embarked on a new journey in her musical career. We are in the process of filling those roles and I have no doubt we will have exceptional instructors here once again this year. As we finalize these new teachers, we will be sure to keep you updated.

We are often asked if certain lesson dates/times can be reserved. All of our lessons are scheduled on a “first come, first served” basis, which means that the quicker your enrollment forms are returned, the quicker we can schedule your lesson day/time and the more choices you will have. We make every effort to schedule all students in the time slot that best fits their family schedule, but there are only so many of the prime time slots available. Please be understanding that over 90 lessons are scheduled each year and that process is not an easy one!

Please keep the following dates in mind:
