

COVENANT
CHRISTIAN ACADEMY

Upper School Science Teacher (Grades 7-9)

Covenant Christian Academy is seeking a qualified secondary school professional in the area of science education: specifically Earth Science (7), Physical Science (8), and Biology (9). The candidate for this position should hold a Bachelor's degree in Science and have experience teaching science at the secondary school level. The ability to teach A.P. Biology (grades 11-12) is preferred. The candidate must have mastery of the field(s), the ability to flourish in our distinctly Christian and classical model, and a passion for teaching science inductively through hands on labs and field work.

An Upper School faculty position includes, but is not limited to, the following:

- Plan and teach 1 section of Earth Science (7) meeting four days of the week; teaching two sections of Physical Science meeting four days per week; teaching one section of Biology (9) meeting four days per week.
- Manage and maintain science classroom and lab space and materials (including ordering materials for science labs).
- Plan and supervise field study or field trips where necessary to augment student learning and give them more hands on experience with the curriculum.
- Be available for weekly Upper School faculty meetings.
- Attend a limited number of specified school events as representative of the CCA Upper School faculty, including "Back to School Night," "Discover Covenant," Admissions Events and others.
- Be available during set hours each week to work with students individually for tutoring and/or coaching
- Working knowledge and experience with computer technology and computer software for educational applications is valuable and essential
- Must be willing to sign CCA's Statement of Faith and Core Values. Must maintain the highest Christian virtue and personal decorum, serving as a Christian role model and mentor both in and out of school, to students, parents, fellow faculty members and employees in judgment, dignity, respect, and Christian living.

The Upper School Science Faculty position is a full time position with benefits. Supplemental income from after-school programs and/or individual tutoring may be available.

Contract runs: September 2018 through June 2019; teaching is on a 10 month cycle.

Compensation: Commensurate with experience

Contact Person: David A. Church, Principal of the Upper School of Logic and Rhetoric, david.church@ccamail.org
