## RISING SENIORS!

Come join in on our first **College Application Bootcamp!** This will be a 3-day summer session running M, T, W, August 19st-21st from 8:30am to 2:00 pm, focused on preparing college applications before the official start of the school year. The purpose of this class will be to complete much of the application season's busy work before the start of academics and athletic commitments in the fall. Students can expect to prepare their Common Applications or an institutionally-specific application throughout the week with the following timeline:

**Day 1:** Overview of the Common Application, Profile, Family, Education, and Testing Sections

**Day 2:** The Activities Section and Individual Questions section work

**Day 3:** The Writing Section, including tips on the College Essay plus supplements and Next Steps

Students will receive instruction and guidance on how to complete each section and then will be given time to complete their work. One-on-one advising and conferencing regarding individualized application questions will be built in to this time. Students will have information-gathering tasks and small outside-of-class assignments to complete at home between work days. Students should bring a snack, lunch, water, and their own personal device (laptop preferred). If you will need a device provided by CCA, please let me know ahead of time so we can prepare.

The cost per student will be \$325/session made payable to Covenant Christian Academy. We will need at least six students to run this boot camp, so grab a friend and join! Please get in touch with Mrs. Draper [rebecca.draper@ccamail.org](mailto:rebecca.draper@ccamail.org) **with any questions.**
