## GPA AND CLASS RANK

A **cumulative GPA** is calculated each semester from the start of 9th grade for all courses taken at CCA. **All of our core courses are taught at the honors level** and are designated as such on the transcript. Honors courses are not weighted. AP courses are given a .7 point weighting. Our calculation system changed starting with the 2018-2019 school year. Previously, honors classes had received a .3 weighting. Class Rank is determined by the GPA, however, CCA is a limited-ranking school, only reporting class rank for Valedictorian or Salutatorian, due to the small class size.

## SPECIAL CURRICULUM FEATURES

### SENIOR THESIS

#### THE CAPSTONE OF A COVENANT EDUCATION

The Senior Thesis Project at Covenant Christian Academy is the culmination of our students' Classical Education. After writing a fifteen page research essay on a topic of their choosing, each student must defend his or her argument in front of the Upper School (Gr. 7-12), along with a panel of faculty members and outside experts. The Thesis Project demands the scholarly depth, expert rhetoric, and personal confidence that are essential to our students' success in collegiate studies and professional life.

### ACADEMIC TRAVEL WEEK

The classroom is a wonderful place to learn, but the opportunity to venture out of the predictable space where routines have been established can energize learning in special ways. Academic Travel Week gives students an opportunity to "take their learning on the road" and have direct, hands-on experiences.

**Grade 7:** Gettysburg Civil War Battlefield, NYC (Immigration Focus)

**Grade 8:** Washington, D.C. (History and Government)

**Grade 9:** Chincoteague, VA (Science research field station)

**Grade 11:** "Hard Thing" - physical & mental challenge, service project
