GRADUATION REQUIREMENTS

A total of 25 credits, including the completion and defense of a Senior Thesis Project, are required for graduation:

GPA AND CLASS RANK

A cumulative GPA is calculated each semester from the start of 9th grade for all courses taken at CCA. All of our core courses are taught at the honors level and are designated as such on the transcript. Honors courses are not weighted. AP courses are given a .7 point weighting. Class Rank is determined by the GPA, however, CCA is a limited-ranking school, only reporting class rank for Valedictorian or Salutatorian, due to the small class size.

SPECIAL CURRICULUM FEATURES

SENIOR THESIS

THE CAPSTONE OF A COVENANT EDUCATION

The Senior Thesis Project at Covenant Christian Academy is the culmination of our students' Classical Education. After writing a fifteen page research essay on a topic of their choosing, each student must defend his or her argument in front of the Upper School (Gr. 7-12), along with a panel of faculty members and outside experts. The Thesis Project demands the scholarly depth, expert rhetoric, and personal confidence that are essential to our students' success in collegiate studies and professional life.

CODA TRIPS

In musical terms, a coda is a different ending. Similarly, our Coda trips provide a different ending for every school year. While the classroom is a wonderful place to learn, the opportunity to venture out of the predictable space where routines have been established can energize learning and community development in dynamic ways. Our Coda trips give students the chance to take their learning on the road and have a series of directions, hands-on experiences, many of which directly relate to classroom topics from across the academic year. Previous trips have included:

Grade 7: Gettysburg, NYC Grade 8: Washington DC Grade 9: Chincoteague, VA
Grade 10: Quebec City Grade 11: Adirondack Mtns Grade 12: Cape Cod

ATHLETICS

The Athletic Program at Covenant Christian Academy is designed to provide student athletes the opportunity to enjoy interscholastic competition for three seasons during the school year. We currently offer three seasons of sports with 18 competitive teams at the middle and high school levels. 85% of Upper School Students are active in Athletic offerings. Sports currently offered at CCA include:

Boys Soccer, Basketball
Girls Volleyball, Soccer, Softball, Basketball
Co-ed Cross Country, Track & Field, Ultimate Frisbee

FINE ARTS

The CCA Fine Arts department offers a full slate of opportunities for students to participate in private instrumental lessons, instrumental ensembles, chorale ensembles, theater productions, and visual arts experiences. 75% of Upper School Students are active in the Fine Arts offerings.

PREFECTS

The Prefect Program — a lead-by-example model — allows seniors to lead the school in key areas of Student Life. Each Prefect is paired with a staff mentor and Prefects lead a council of students to lead initiatives, organize events, and contribute to a flourishing school environment. The Prefect Program is committed to helping students grow in understanding of the Gospel and servant-leadership, experience community through building relationships and serve others faithfully. Grow. Experience. Serve.

CLASSICAL ROOTS

Covenant Christian Academy's Classical Roots Program is a regenerative agricultural program committed to propagating truth, beauty, and goodness through organic gardening, curriculum integration, and community service. The Classical Roots Program aims to create beautiful and fruitful garden spaces on CCA's campus that will welcome wildlife, extend our classrooms into the outdoors, heal our local biome, and foster rich conversations about the stewardship of creation.
