How to Install the Sonicwall Certificate on a Chromebook

1. Click here to download the Certificate. Alternately, you can open a web browser and browse to: http://covenantchristianacademy.org/ssl/sslcert.cer to download the certificate.

2. Open Google Chrome. Click on the Menu button and then select 'Settings'.

3. Click 'Advanced' and then select 'Manage Certificates'

4. In the Certificate Manager, select the 'Authorities' tab. Next, click 'Import' and follow the prompts to select the certificate that you downloaded.

5. That's it, you're done.
