

MEDICATION ORDER and PARENTAL CONSENT FORM

A healthcare provider's* written order and signature is required for the school nurse to administer <u>any</u> medication, prescription and over the counter, with the exception of Tylenol, Ibuprofen, Calamine lotion, Aquaphor ointment, Natural Tears and cough drops for which we have a written order by the school physician. All medication must be delivered by a parent to the nurse in its original, pharmacy container/packaging labeled with your child's name. All medications also require a parent/guardian signature for consent and, if applicable, a completed Self Administration of Medications for Parent and Student Form.
