

# RoboThink STEM Programs are Officially at Covenant Christian Academy

RoboThink is not your ordinary educational program – it's a thrilling adventure into the amazing world of robotics and engineering! Get ready to dive into the action as we use gears, axles, motors, and RoboThink's exclusive hardware to construct a wild array of projects, from epic roller coasters to speedy race cars and even our very own video games!

But wait, there's more! Beyond robotics, RoboThink is all about unlocking your superpowers – building self-confidence, mastering technical skills, and unleashing your creativity and spatial awareness. Get ready to embark on a journey filled with fun, excitement, and endless possibilities as we explore the awesome wonders of STEM education together!
