

SCHOOL OF RHETORIC

Dress Code for Students in Grades 9 through 12

At Covenant Christian Academy, we strive to set standards that promote excellence in academics, conduct and appearance. Our dress code is based on the principles of modesty, neatness, and appropriateness. We believe that physical appearance and self-image are closely related, and a dress code encourages good behavior. Appearance influences students' attitudes toward themselves, others, their school, and their responsibilities.

Introduction and General Information

Students are required to be in proper attire during school hours unless other attire has been approved. Students are required to arrive at school and to leave school in proper attire unless prior permission was obtained from the Dean of Students. Students not in proper attire will receive a written warning and may be removed from classes (or a school event) until they are able to meet the guidelines listed below. Parents may be asked to bring an appropriate change of clothing to the School for their child. Multiple written warnings will lead to a detention and additional consequences if necessary.

Professional Dress is required on Monday, Tuesday and Thursday.

Chapel Attire is required on Wednesdays for Chapel, and will be required from time to time for other special school events.

Spirit Attire may be worn on Fridays.

Note to Parents

CCA appreciates parents partnering with us in the dress code. Students are expected to comply with the dress code and parents are expected to monitor compliance before their children leave home. While we are not interested in being the "clothes police," it is extremely important that we have consistency in our dress code to help contribute to a positive educational environment. Thank you for your help and cooperation.
