

# 2025-2026 *Achievements*

Your investments have come to life in the most meaningful way, reflected in the spiritual, academic, artistic, and athletic achievements of our students:

Our **Grammar School students continue to excel academically**, consistently performing well above national averages on standardized assessments.

Our **seniors culminated their Covenant journey through Senior Symposium**, presenting theses that reflected thoughtful scholarship, intellectual maturity, and a growing understanding of God's truth in every discipline.

The Rhetoric School's production of *The Secret Garden* showcased **extraordinary student talent** and **welcomed more than 600 guests across three performances**; a celebration of beauty, creativity, and collaboration!

**More than 200 guests attended the SpringFest Art Show** to celebrate the **artistic accomplishments of our K-12 students**, while **more than 135 students** pursued musical excellence through private lessons and ensemble participation.

Covenant Athletics also experienced a historic year. Our girls' volleyball team captured its **second consecutive IGC League Championship** and earned **Covenant's first-ever NEPSAC Championship in any sport**. Meanwhile, track and field flourished with more than 50 student-athletes participating this spring and **20 varsity athletes qualifying for the NEPSAC Championships**.

**Behind every one of our accomplishments this year stands a faculty and staff marked by wisdom, dedication, and a deep love for students. Their daily work, often unseen, forms young men and women who love what is true, good, and beautiful. And behind all of it stands a faithful community.**

Thank you for partnering with Covenant Christian Academy to provide an education where truth is not relative but rooted in Christ, and where students are not merely taught but disciplined!
