

## Summer Bootcamp with Miss Perrotta!

### FOR RISING 4TH GRADERS

Join me in reinforcing and strengthening third grade math, reading and writing strategies, while we work together to complete the fourth grade summer reading assignment, "*My Side of the Mountain*".

**Tuesday, August 13th - Thursday, August 15th**

**(Math) 9:00-10:00AM:**

Review common math skills such as multiplication facts, long division, and fractions.

**(Snack Break) 10:00-10:30AM:**

Students will break for a snack and some playground time!

**(Writing/Grammar/Reading): 10:30AM-12:00PM**

- Review of grammar skills: Q&A flow, classifying sentences and parts of speech
- We will review how to write interesting topic sentences, detail and support sentences, and review the correct grammar that supports their "*My Side of the Mountain*" summary. Students will conclude the week by writing their own summary from their notes.

**It will be necessary that students finish the summer reading book, "*My Side of the Mountain*" BEFORE beginning the week.**

Students may enroll for **just** the math session OR **just** the reading/writing session each day. You can sign up your child, even if you cannot commit to every day! Please let me know when you fill out the registration form what days and which subjects your child will be attending!

If you are interested in the course, please fill out the attached information form and return no later than **Friday, June 7th**. This will allow ample time to plan for the number of students attending.

I will be contacting those enrolled in the weeks ahead.

**\$30 per day** for math only

**\$50 per day** for "*My Side of the Mountain*" & grammar review only

**\$75 both** sessions and snack per day

**\$200 for all three full days**
