

Upper School of Logic and Rhetoric

Summer Reading Assignments 2024

Students in the Upper School of Logic and Rhetoric read one Common book and one English book assigned by grade. Scroll down for the assignments related to each book, including the Common Read. This year most of our Summer reading experiences involve two important elements that are worth highlighting:

READING ALOUD: Various studies abound showing a multitude of advantages to reading aloud. It is a given when children are young, but what about our Logic and Rhetoric students? According to recent articles cited in *The Atlantic*, the BBC, and *The New York Times*, the benefits continue into these years and throughout adulthood. We are asking USLR families to read our Common Read aloud as a family. The idea here is different from individuals listening to an audiobook, as one of the benefits we are after is connection and community. This is an experiment and we will have a call for feedback about the experience in the early fall. ***Please note the assignments below involve three family conversations around the dinner table so students (and families) will need to plan ahead.***

EXPERIENCES: Another new element to this year's summer reading is that each English assignment (for grades 8-12) involves an experience. Students in grade 8 have a choice of books and are asked to visit a local library for their book selection. Students in grades 9-12 are guided through an experience at a location relevant to the assigned text. Students should complete the grade level assignment fully and bring this assignment on the first day of class.

Common Read (grades 7-12): Read aloud *Treasure Island* by Robert Louis Stevenson and discuss at three family dinners. Fill out the worksheet after these conversations.

Grade 7 English: Read *The Witch of Blackbird Pond* and complete the assignment as outlined by Mrs. Russell.

Grade 8 English: Follow the prompts on the assignment sheet to select your text after a visit to the library. Then have a family member interview you (recorded!) about your text.

Grade 9 English: Read George MacDonald's *Fairy Tales*, visit a ruin, and write a myth.

Grade 10 English: Read *Sir Gawain and the Green Knight*, visit a wilderness, find a green chapel, and draw a picture.

Grade 11 English: Read *My Antonia* by Willa Cather and visit a farm or homestead, take photos, and write an accompanying poem.

Grade 12 English: Read Calvino's *Invisible Cities*, visit a city, and create your own invisible city.

**CCA students enrolled before August 1st should complete these assignments in full by the first day of classes and bring the assignments with them on the first day. New students enrolled after August 1st will be exempt from the written work but should read as much of the text as they are able.*
